

QUALITY EDUCATION FOR EXCELLENCE

INTRODUCTION

HERALD AT A GLANCE

Herald International College (HIC), founded in 2063 BS, is a leading academic institution offering diverse undergraduate and graduate programs in Science, Management and Humanities. HIC aims to shape self-reliant, collaborative and socially conscious individuals through high-quality education. The college is guided by experienced educators, professionals and dynamic academicians. It fosters an inspirational and value driven environment, nurturing students' multiple intelligence and emotional capabilities. As a center for excellence, HIC equips young people to meet the demands of the competitive world, fulfilling the aspirations of students, parents and communities.

MORAL VALUES

Diversity
Integrity
Respect
Tolerance
Inclusion

ACADEMIC VALUES

Professionalism
Excellence
Real Life Learning
Technological Advancement
Collaboration

VISION

Nurture capable human capital to lead society and the country towards prosperity.

MISSION

Empower and enrich students in accordance with the college motto, "Education for Excellence," by employing innovation and modern educational technology.

ETHOS OF HERALD

Embracing **HUMANISM**, nurturing **EUDAIMONIA**, experiencing a **RISE** in personal growth, integrating **ANIMISM**, honing **LIFE SKILLS**, and relishing the **DELIGHTFUL** aspects of life to a holistic development for each child and having a **HERALDED** life.

PRINCIPAL'S WELCOME

Dear Students and Parents,

We believe that an education system that develops the students' system of critical thinking is richer than the one that does not. Different institutions have different systems of imparting knowledge and choosing the right educational institute can be a life-changing decision. Students must choose a school that will nurture them mentally, socially and academically. Herald is the very place where they can advance their learning process and become a humankind professional in the coming days. It delights me to welcome all the prospective students to Herald, a most reliable and greatly sought after institution well-known for academic and professional excellence. We have been pursuing technological advancement and modern approach to the teaching learning procedure that generates various life skills. In fact, Herald aims to carry out its responsibility most pertinently providing human and physical resources for congenial teaching and learning environment. The quality education for excellence is at the center of our educational endeavors because we believe that a student with state-of-the-art knowledge in respective field with high moral values can best lead any organization or society in future.

Thank you.
With best wishes,
Assoc. Prof. Binod Regmi
Principal

Reflecting the True
Essence of Quality
Education

ACADEMIC WORDS

Herald International College believes in sharpening discipline and enhancing critical thinking by providing outlets for creative expressions through music, dance, art, extracurricular and co-curricular activities along with academic excellence. The provided activities excel individuals with opportunities to develop self-control contributing to the formation of a well-rounded personality.

Mr. Rajesh Raj Aryal
Incharge, Day Shift

Students should strive for academic excellence and maintain a high level of discipline in order to achieve their goals. They should focus on their studies and put in a lot of hard work and dedication to excel in their chosen field of studies. All curricular and non-curricular staffs of Herald put their constructive and coordinated efforts together for the guidance, proper counselling of the students making them disciplined, focused and organized.

Mr. Madan Prasad Phuyal
Incharge, Morning Shift

IMAGINATION AND INNOVATION START WITH HERALD

**MESSAGE FROM
ACADEMIC COORDINATOR**

Management is, above all, a practice where art, science and craft meet.

Herald International College is committed towards development of students as leaders and entrepreneurs who contribute not only to society but to the country at large in future. We value academic excellence and diversity, for which we have got an exclusive academic plan and action to implement that.

Dipendra Pudasaini
Academic Coordinator

HUMANITIES

It provides a rich and diverse education in disciplines of liberal arts. With a focus on critical thinking, creativity, and interdisciplinary learning, the school prepares students for various careers and advanced studies.

MANAGEMENT

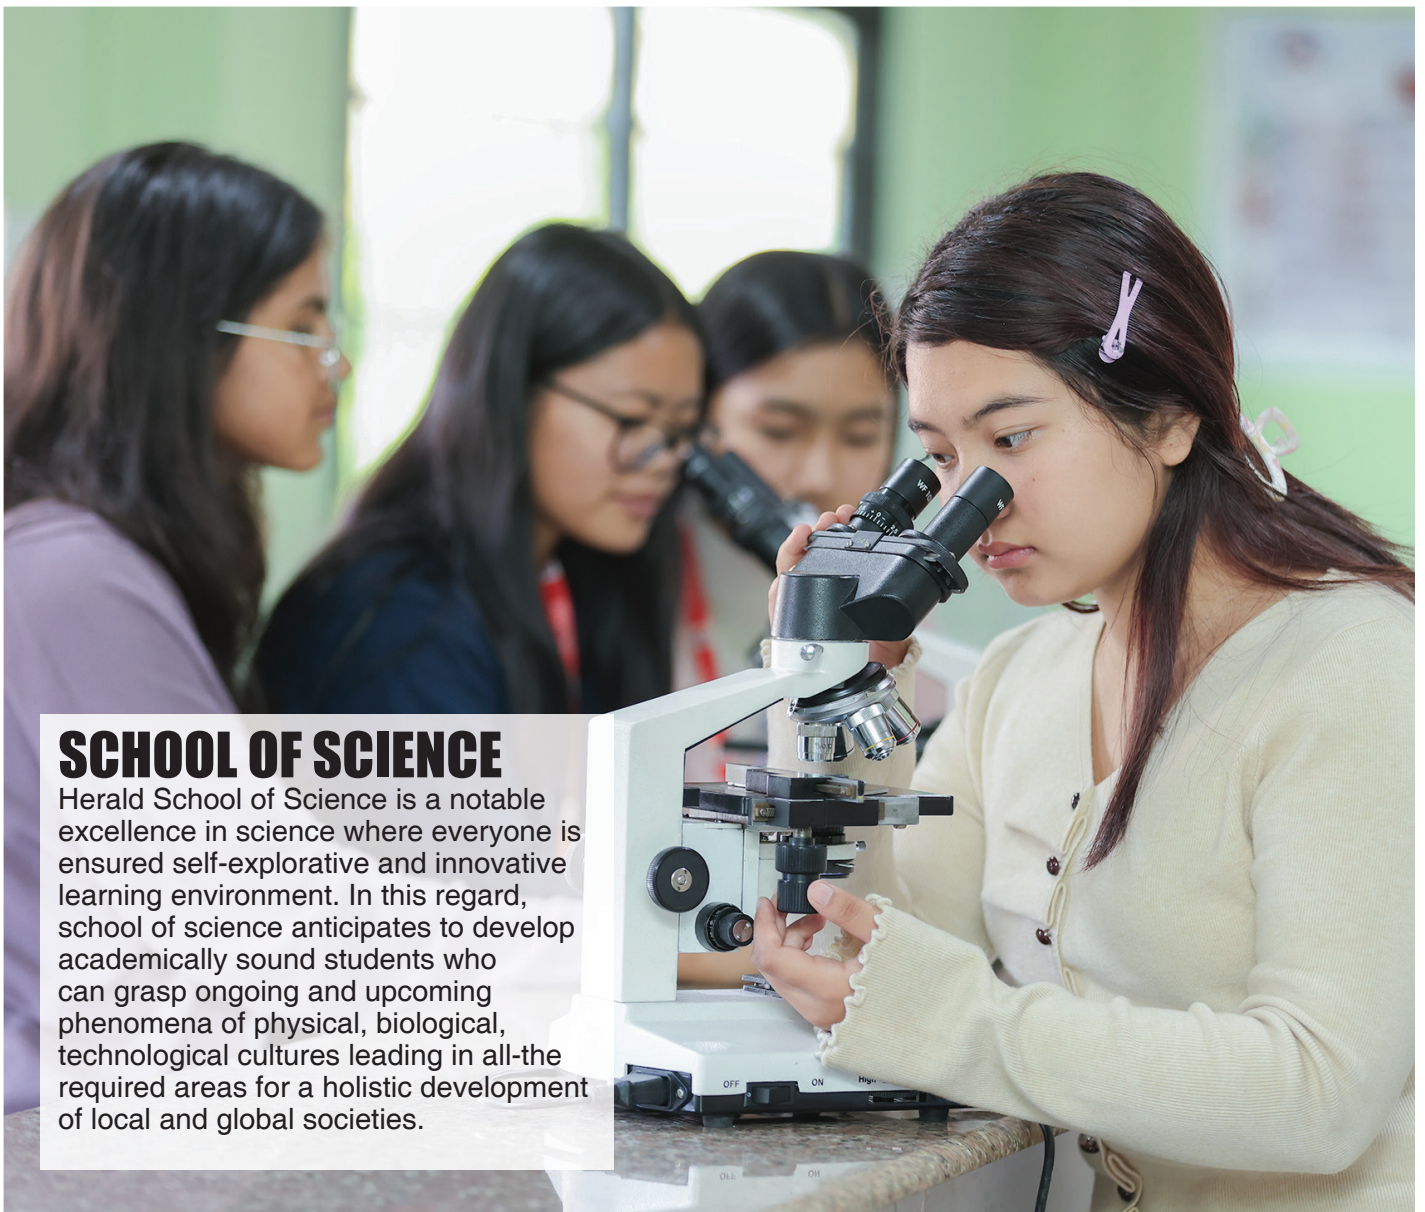

This school is responsible for catering, integrating knowledge and skills to make students stronger in managerial thinking. It operates full-time plus 2 programs in morning and day time. The school is dedicated to fostering leadership, innovation, and entrepreneurship, ensuring graduates are well-prepared for successful careers in the business world.

**MESSAGE FROM
SCIENCE COORDINATOR**

A society's growth largely relies on its youths, their attitudes and creativity. Herald nurtures the multiple intelligence of students and create innovative technocrats who can very strongly contribute to scientific realm. We are fully committed to prepare our students well competent in the field of Science & Technology at best. We are very determined to explore and groom the students' potentials or multiple intelligence letting them engage in an opportunity to involve in practical based endeavors.

Diwakar Acharya
Science coordinator

SCHOOL OF SCIENCE

Herald School of Science is a notable excellence in science where everyone is ensured self-explorative and innovative learning environment. In this regard, school of science anticipates to develop academically sound students who can grasp ongoing and upcoming phenomena of physical, biological, technological cultures leading in all-the required areas for a holistic development of local and global societies.

SCHOOL OF APPLIED EDUCATION

Fashion Design

Offers innovative programs that blend creativity with technical skills on fashion and hospitality sector. The curriculum emphasizes design, garment construction, and fashion marketing, preparing graduates for dynamic careers in the fashion industry.

Law

Offers programs in legal education and training to individuals pursuing a career in the field of law. Students studying at a law school can expect to learn about various areas of law, legal theory, and practical skills such as legal writing, law and justice.

Psychology / Health

Provides comprehensive programs in healthcare and wellness led by experienced faculty. Students gain practical skills through advanced labs and clinical placements, preparing them for diverse careers in the health sector. The curriculum emphasizes evidence-based practice, ethical standards and community health, ensuring graduates are equipped to meet modern healthcare challenges.

ADMISSION PROCESS

Registration

One can register online through the links available on the Facebook page, website or visit the college for inquiry and registration.

Quality Test

The registered students must attend qualifying test on the date fixed upon registration.

Admission

Qualified students are notified for their admission within deadline depositing admission fee.

SCHOLARSHIPS INFORMATION

Several scholarships are provided to the deserving students based on their SEE results and their performance in the HIC entrance exam. Furthermore, additional scholarships are provided based on students' performance in their Board Exam and terminal exams. In addition, college provides special scholarship to people with different abilities, poverty or special living cases on the recommendation of education section of municipality.

Merit Scholarship

Grading	Category	Fee Waiver	Science	Management	Humanities/Law/Health/Fashion Design

TEACHING AND LEARNING

The innovative and participatory teaching methods that they apply have proven to facilitate effective learning by integrating all three domains of learning (cognitive, psychomotor and affective) to make knowledge much boarder and lifelong.

Innovative learning and didactic lectures with multimedia presentation

Employment of highly qualified and experienced faculty members with expertise in their respective fields. Use of modern teaching methods such as Pratical Base Learning (PBL), case studies and interactive lectures.

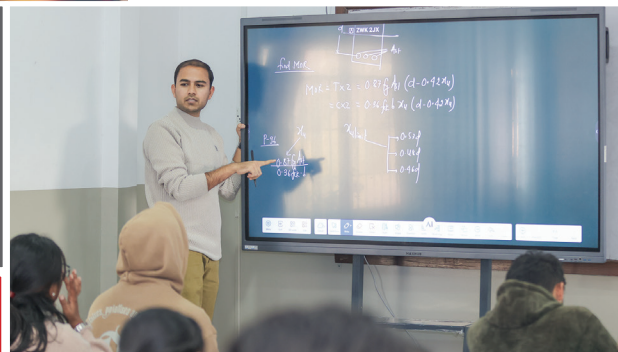

Special career counselling and motivation class

Tailored Career Counselling and Motivation Classes with individualized support and encouragement, aiding students in reaching their career objectives and maintaining motivation throughout their studies.

Technology Integration

Incorporation of technology through e-learning platforms, virtual labs, and online resources.

Demonstration and lab-based practice

Adequate practicals align with syllabus standards and fulfill hands-on learning requirements. Lab classes and demonstrations immerse students in real-life applications of science, technology, and management.

Assessment and Evaluation

Diverse Assessment Methods: Utilization of various assessment techniques, including continuous assessment, unit test, exams, presentations, and project work.

Formative and Summative Evaluation: Combination of formative assessments (attendance, class activity, compliance with cord of conduct, ECA performance) and summative assessments (different term, practical exams end board exam) to gauge student learning.

Feedback Mechanisms: Provision of detailed feedback on assessments to help students improve their performance.

Independent Learning and Library Study (ILLS)

ILLS Empowering students through ILLS approach to take charge of their education, fostering self-directed learning and research skills through extensive use of library resources.

Project work and field study, case studies and observations

Project Work and Field Study, Case Studies, and Observations having hands-on learning experiences, allowing students to apply theoretical knowledge to real-world situations and develop practical skills

COLLEGE CULTURE AND DIVERSITY

Extracurricular Activities

1 Sports: Provision of standard sports facilities such as Basketball, Table Tennis, Badminton, Football, Volleyball, Chess, etc. Finally, exhibited through the sports week annually.

2 Cultural Shows and Values: Hosting annual welcome and farewell programs with diverse cultural and fun activities, and celebrating festivals like Dashain, Holi, Guru Purnima, and other cultural days.

3 Community Service and Volunteering Students participate in various service projects, volunteering works, and community outreach initiatives aimed at making a positive impact on society. This can include activities like tutoring, environmental clean-ups, fundraising events, and charity drives.

CO-CURRICULAR ACTIVITIES

1. Clubs and Councils

Academic clubs, such as student council, literature club, science club, HM services.

2. Leadership Development

Leadership programs, workshops, and training sessions help students develop essential leadership skills such as communication, teamwork, problemsolving, and decision-making.

3. Stem Activities

These activities focus on science, technology, engineering, and mathematics (STEM) education and can include robotics competitions, coding clubs, science fairs, and engineering challenges.

4. Health and Wellness Programs

These activities promote physical and mental well-being and can include yoga classes, mindfulness workshops, health fairs, and nutrition seminars.

5. Cognitive programme

Organizing & participating in inter-and intra-college knowledge building academic activities like debate, quiz, essay writing, art exhibitions, and creative writing competitions, dictation regularly.

6. Real Life Experience

Organizing annual basis food fiesta, idea lab, literature festivals, industrial tours, hotel visit, botanical garden observation to make students explore the real-life experience.

HERALD'S CULTURE OF EXCELLENCE

Excellent Academic Achievements

Herald students consistently excel at the +2 level and bachelor level securing top ranks and outstanding results nationwide. Our strong track record of academic toppers and high pass rates reflects our position as a leading institution in Nepal.

Impressive Career Placements

Herald +2 and bachelor graduates earn scholarships and placements in prestigious colleges and universities in Nepal and abroad. Their success highlights the quality and long-term value of a Herald education.

Exemplary Conduct

We cultivate self-discipline and positive behavior, ensuring students uphold high standards of diligence, punctuality and responsibility. Heraldians are recognized for their commendable conduct both academically and personally.

Parental Involvement

We value strong collaboration with parents/guardians. Regular meetings and consultations help align academic goals, monitor progress, address concerns and support students' overall growth, discipline and future career planning.

MESSAGE FROM
IT COORDINATOR

When innovation meets education, technology becomes a bridge between knowledge and possibility.

Technology as an art is a soaring exercise of human imagination. It assists human potential in providing expertise, realizing information systems aiming at solutions for societal requirements and promoting quality education. As digital technology, students can tap into an extensive array of information and resources, enriching their educational journey. Overall, we can ensure a secure and seamless learning environment for all.

Prakash Dhungana
Coordinator IT Dept.

Computer Center

Computer Centre is committed to keeping pace with the ever- changing information technology sector and software to ensure that our students have ever- ready access to up- todate technology. The College is fully equipped with well- furnished computer lab with AC & powerful and fast internet connection. A comprehensive range of windows application software is provided for necessary practical.

Information System

The college has adopted a modern education and management information system that connects parents, students, faculty and administration. Through the app, parents and students receive timely updates on academics and extracurricular performance via messages, email and calls, ensuring transparency and active engagement in the learning process.

Podcast

Herald produces a variety of podcast series, which explores diverse topics through compelling stories and engaging discussions. Each episode offers fresh insights, expert interviews and thought-provoking narratives designed to inspire listeners and spark meaningful conversations.

PCL NURSING PROGRAMS (STAFF NURSE)

Mahendra Narayan Nidhi Memorial Health Institute (MN Institute), under the full management of Herald, provides the CTEVT-affiliated PCL Nursing (Staff Nurse) program to equip students for a thriving nursing career. Our philosophy emphasizes the integration of practical skills and theoretical knowledge, ensuring that students are well-prepared to meet real-world healthcare challenges with confidence, empathy and excellence.

Accreditation: Medical Education Commission, Nepal Nursing Council

Duration	3 years
Faculty	Health and Medical Science
Eligibility	SEE with securing 50% marks or GPA 2
Tutorial Time	Evening shift

UNIVERSITY ACADEMIC COURSES

Herald delivers a diverse selection of bachelor's and master's programs in affiliation with Pokhara University and Tribhuvan University. With seasoned instructors and a practical, industry-oriented approach, the institution equips students with the expertise, competencies and guidance needed to thrive in today's competitive environment. Dedicated to excellence and innovation, Herald enables learners to succeed in both their academic journey and professional careers.

Graduate Programs under the Herald Group Citizen College affiliated with Pokhara University

BACHELOR PROGRAMS

Bachelor in Business Administration (BBA)

The BBA program provides a strong foundation in key areas of business, including finance, marketing, human resources, operations and entrepreneurship.

Duration	4 years (8 semester)
Faculty	Management
Eligibility	+2 pass in management and science discipline

Bachelor's in Computer Application (BCA)

Herald College offers a forward-thinking curriculum with a strong emphasis on digital technologies. The programs are designed to be cutting-edge and technology-driven, ensuring that students gain practical skills and knowledge in the latest ICT tools and applications. By combining modern teaching methods with real-world ICT experience, the college prepares learners to thrive in a fast-evolving, tech-centric world.

Duration	4 years (8 semester)
Faculty	Science and Technology
Eligibility	+2 pass in Management, Science and others having mathematics or computer as one of the subjects discipline

Bachelor in Business Administration in Travel Tourism (BBA-TT)

The BBA-TT program with a specialization in Travel and Tourism at Herald is a specialized undergraduate degree designed to provide students with a comprehensive understanding of the travel and tourism industry.

Duration	4 years (8 semester)
Faculty	Management
Eligibility	+2 pass in management or science discipline

POST GRADUATE COURSE (MASTERS DEGREE)

Master's in Health Care Management (MHCM)

The MHCM program equips students with the skills and knowledge needed to assume leadership and managerial roles across hospitals, clinics, pharmaceutical companies, government and non-government agencies, insurance firms and other healthcare organizations. Covering key areas such as healthcare finance, policy, quality improvement, strategic planning, information technology, ethics, marketing and human resources, the program prepares graduates to drive innovation, enhance efficiency and excel in the rapidly evolving healthcare world.

Duration	4 years (8 semester)
Faculty	Management
Eligibility	Bachelor's degree in health care management, PGDHCM, or any Bachelor's Degree in any health science discipline
Tutorial Time	Evening shift

Herald International College Affiliated with Tribhuvan University

BACHELOR PROGRAMS

Bachelor's in Business Administration (BBS)

BBS integrates management concepts with practical skills aligned to modern business environments. Specializations include accounting, finance, HRM and marketing. It helps students understand management practices and market needs.

Duration	4 years (8 semester)
Faculty	Management

Tutorial Time	Morning and Evening shift

Bachelor's in Arts (Bachelor's in Social Work –BSW)

BSW prepares students for entry-level practice in social work—a profession focused on helping individuals, families, groups and communities cope with personal, social and environmental challenges. The program emphasizes social issues and human development, leading to meaningful service and career growth.

Duration	4 years (8 semester)
Faculty	Humanities and Social Science
Eligibility	+2 pass in any discipline
Tutorial Time	Morning and Evening shift
Career area	Child welfare, mental health, community development, schools, hospitals, outpatient services, nursing care facilities, NGOs, INGOs, government agencies

ADMIRABLE AMENITIES

PEACEFUL ENVIRONMENT

A serene academic environment conducive to the focused learning and personal growth. Herald peaceful academic environment promotes better concentration, reduces stress and enhances overall learning experience, contributing to students' academic and personal development

BUILDING AND ENVIRONMENT

- 16 ropani land
- Fully monitored by CCTV surveillance
- Earthquake resistance buildings
- 95000 sq. ft building
- Adequate parking space

Future Starts Here

HEALTH CARE UNIT

- Health care unit with registered nurse
- Affiliation to nearby hospital in case of emergency
- First Aid kit in the school buses
- Conducting health education, psychology and nutrition counseling

LAB

Highly equipped lab with Air Condition modern laboratory having latest methods and materials

- Physics Lab
- Chemistry
- Botany
- Zoology
- Hotel management
- Computer
- Health (Anatomy, Physiology, Community, Nutrition, Midwifery, Medical laboratory, Molecular)

LIBRARY

- More than 5000 text books, reference books, literature, science fictions, etc.
- Online Library
- Peaceful study environment

TRANSPORTATION

- Well maintained and clean
- Trained and trust worthy transport personnel
- Immediate communication to parents when needed
- GPS tracking on each vehicle
- First Aid kit in the buses
- Fire extinguisher

CAFETERIA

- Clean and Hygienic cafeteria
- A food menu with varieties of nutritious lunch and snacks menu
- Self-service counters for senior students
- Salad counter
- In School Bakery
- Safe Drinking Water

SPORTS

- Futsal
- 3 basketball courts with sufficient practice courts
- Table tennis, Badminton
- Cricksal

SEMINAR FACILITIES

- Presentation hall (30 people)
- Seminar Hall (50 to 60 people)
- Auditorium (320 seats)
- Equipped with modern AV and AC
